VERIFY YOUR **PRODUCT**

Cream Deluxe has taken measures to end criminal counterfeit efforts for all. In collaboration with [Piqr.io](#) and Scantrust, we have integrated a unique, secure QR code so you can verify each single cylinder and easily confirm the originality of your product on our official website. Each cylinder has its unique QR code and can't be copied.

WHY COUNTERFEIT PRODUCTS ARE A PROBLEM?

Counterfeits are usually of very poor quality and can pose a various of risks. To ensure your own interests, please choose wisely and support authentic products. You can also learn more about Cream Deluxe anti-counterfeiting actions in [this article](#). If you want to learn more about Anti-Counterfeiting and the Piqr Technologies, [read this](#).

WARNING TO SELLERS

We take counterfeiting very seriously. Every attempt will be reported to law enforcement and investigated. Products verified on our official website are original products. Any products that fail authentication are counterfeit. We reserve the right to take further legal action if a product is deemed to be counterfeit. If you suspect that counterfeit products are being sold, please report them via [Report Counterfeit](#). We would appreciate it if you spread this information.
